Dear Parents

EDMODO LEARNING PLATFORM

Since last September, our Prep children have been successfully using the 'Edmodo' Learning Platform. I understand that many parents have already signed up for an Edmodo account but if you are yet to do so, please do – it is a great opportunity to communicate with your children about the activities they do in their CTS lessons plus you actually get the opportunity of seeing their work.

Additionally, it is a great communication tool that allows you to stay in touch with your child's CTS teacher. You will gain access to a number of invaluable resources and information on topics such as online safety, trips and events, updates on the units that the children are studying and much more.

I therefore would like to invite those parents that haven't yet signed up for an Edmodo account to do so. Information on how to go about this can be found on the Edmodo website at <https://support.edmodo.com>.

I look forward to seeing many more parents signing up and getting involved!

Yours sincerely

Miss Fernandes
