Dear Parents

Internet Safety Workshop – Wednesday 6th February

Tuesday 5th February is Safer Internet Day and in light of this, we have arranged an Internet Safety Workshop for parents at **Broughton Manor Preparatory School**. The workshop will be suitable for parents of children in Classes 8-11 and will be held on Wednesday 6th February at 5.30pm. If you would like to attend, please fill in and return the slip below.

Please note: this workshop is suitable for parents only and your children may not attend.

During their CTS lessons with Miss Fernandes this term, your children have been learning about the correct and most efficient ways of using e-mail, actively using their own *mkps.co.uk* school e-mail accounts. Miss Fernandes has also compiled an informative document for parents’ use which may help when it comes to supporting your children at home. It includes information and statistics gathered from the UK Safer Internet Centre and Childnet International websites. It is available to download from the school website but copies will be also be available as handouts at the workshop. We hope you find it useful.

Yours sincerely

Mr Simon Driver
Headmaster
