

EQUAL OPPORTUNITIES POLICY

This policy is applicable to all pupils within the school, including the Early Years Foundation Stage (EYFS). It is linked to the school's Safeguarding and Child Protection Policy and adheres to the Equality Act 2010. This document is available in written format upon request.

The school is committed to equal treatment for all, regardless of an individual's age, race, ethnicity, religion, gender, sexual orientation, disability, learning difficulty, body image or social background. The school's aim is to create an environment that is both nurturing and stimulating to all children and encourages, promotes and champions pupils' differences. The school actively promotes principles that develop tolerance and harmony between different cultural traditions, enabling pupils to gain knowledge and respect firstly for their own culture which is an essential foundation to getting to know other cultures and customs (traditions, dress, food, and so on). Through the content of curriculum, teaching aims to prepare pupils to interact positively with people of different cultures and faiths.

The school welcomes applications from candidates of all backgrounds. The school also welcomes applications from pupils with special educational needs and disabilities.

Bursaries are offered in order to make it possible for as many of those who meet the school's admission criteria to attend the school. Details of bursaries may be obtained from the Bursar.

ETHNICITY AND DIVERSITY

The school endeavours to make its environment welcoming to all ethnic groups. We promote an understanding of diverse cultures through the topics studied by the children, and we reflect this in the displays of work shown around the school. Our curriculum reflects the attitudes, values and respect that we have for all ethnic groups. We do not tolerate any forms of racism or racist behaviour. We seek to educate pupils in a manner which promotes community cohesion in a multi-cultural society.

The school aims to remove gender bias from recourses and curriculum making sure that our school environment promotes positive male and female role models, in relation to learning and achievement, this way minimising male and female stereotyping. Our curriculum is built in a way which ensures that mathematical and scientific subject matter is relevant to real life situations and problems with clear learning intentions in the context of the 'big picture'.

Social class, ethnic origin and local context are all strongly linked to the relative achievement of boys and girls. Therefore, we seek to ensure that policies designed to improve the attainment of one gender group does not do so at the expense of the other.

CODE OF CONDUCT FOR STAFF

The Headmaster and Senior Management Team play an active role in monitoring the implementation of the school's policy on equal opportunities. Through Assemblies, PSHE, RE, Drama, English and other lessons the school:

- Promotes tolerance of each other and respect for each other's position within the school community.
- Promotes positive images and role models to avoid prejudice and raise awareness of related issues.
- Fosters an open-minded approach and encourage pupils to recognise the contributions made by different cultures.
- Promotes understanding of why and how the school deals with offensive language and behaviour.
- Promotes understand of why and how the school deals with any incidents in a prompt and sensitive manner.

Harassment in any form is unlawful and unacceptable. The school's Behaviour, Sanctions and Reward Policy and Anti-Bullying Policy contain clear procedures for dealing with unlawful discrimination.

A strong and effective Equal Opportunities Policy requires the support of parents and acceptance of the school's ethos of tolerance and respect.

MONITORING

The school monitors its Equal Opportunities Policy in order to ensure it is effective.

REQUESTS FOR VARIATION IN THE SCHOOL UNIFORM

Parents should be aware that children over 2½ years are required to wear school uniform. Variations to school uniform are not acceptable. Requests for variation on religious grounds may be discussed with the Headmaster, who may also take expert advice. Any agreed variations must be consistent with the school's Health and Safety Policy.

DISABILITY AND ACCESSIBILITY

EQUAL OPPORTUNITIES POLICY

'Disabled pupils' for the purpose of the disability access plan refers not only to those with physical disabilities but could include, for example, those with health issues, including mental health, or learning disabilities if they meet the legal definition of 'disability'.

- *Please refer to the separate document: Accessibility Plan.*

BEHAVIOUR, SANCTIONS AND REWARDS POLICY

Responsibilities for the behaviour management of children is as follows:

- The Head of EYFS is responsible for the Nursery and EYFS (Babies to children up to end of Reception).
- The Head of Pre-Prep is responsible for children between 6 and 7 years old.
- The Deputy Head is responsible for the Preparatory Department (above 8 years old).

Staff will endeavour to encourage small children (below the age of 8) to understand acceptable behaviour as they grow. Staff promote trust and mutual respect for everyone. We understand that good relations and good manners, in a secure learning environment, play a crucial part in the development of intellectually curious small children.

With small children we discuss inappropriate attitudes and practices. We talk about why such actions are unacceptable and why kindness and understanding the needs of others are paramount. Our system always gives verbal praise for a good attitude and for trying hard and children will be given stickers for special efforts as way to encourage them. Staff ensure that all children receive praise and stickers as a form of encouragement.

House points are used for children aged 6 and 7 (see below for an explanation of how the system works).

SPECIAL EDUCATIONAL NEEDS AND DISABILITY

All children are entitled to an education that enables them to achieve the best possible educational outcomes and other outcomes and become confident young children with growing ability to communicate their own views and to make the transition to education beyond EYFS.

The EYFS is required to have regard to the SEND Code 2015 and must have arrangements in place to support children with SEN or disabilities. These arrangements should include a clear approach to identifying and responding to SEN. It is recognised that identifying the need at the earliest point and then making effective provision, improves the long-term outcomes for children.

Staff will be alert to any emerging difficulties and respond early. In particular, parents know their child best and it is important that all staff listen and understand when parents express concerns about their child's development. Staff should also listen to and address any concerns raised by children themselves.

PARENT COMPLAINTS

EQUAL OPPORTUNITIES POLICY

The school trusts that parents will not have complaints about the operation of its Equal Opportunities Policy. Parents may request a written copy of the school's Parent Complaints Policy and a copy can also be location on the school's website.

RESOURCES

The school will prepare and select resources which are free from cultural or gender bias wherever possible. Where their use is unavoidable, the school will deliver biased resources as a means of provoking discussion of equal opportunities.

The Equal Opportunities Policy has been reviewed in September 2021 and will be reviewed in or before September 2022.
